

Patient With Me © 2014 Ashley McMillen

I don't mean to act like I don't need anyone, or anything,
That I am made of steel.
You see, I've been hurt and kicked around a few times in my life,
Might not be right, but this is how I deal.
The truth is, the truth is.

I can't run, can't hide
Baby, take a good look in my eyes
And you'll see
That I'm as scared as could be.
Hanging on by a thread
Tryin' to figure out what's in my head
So tell me,
You'll be patient with me.

You're the only one who's ever made me feel so loved and secure,
I couldn't ask for more. I have it all with you.
And when I shut down it's only because I'm afraid to just let go
You've gotta know, this love feels brand new.
I need you to be patient with me.

I can't run, I can't hide
Baby, take a good look in my eyes
And you'll see
That I'm as scared as could be.
Hanging on by a thread
Tryin' to figure out what's in my head
So tell me,
You'll be patient with me.

I need you.

All of my life, I've been waiting for you.

I can't run, can't hide

Baby, take a good look in my eyes

And you'll see

That I'm as scared as could be.

Hanging on by a thread

Tryin' to figure out what's in my head

So tell me,

You'll be patient with me.

I need you.

All of my life, I've been waiting for you.
